Translator's Notes:

Where flow of English necessitated phrasing supplemental to wording in the original/source, such supplemental phrasing was supplied between straight brackets.

Essential explanatory material, including the identities of personalities or entities signaled by vaguely-directed personal pronouns, was supplied between italicized brackets, whenever the intended personality or entity could be ascertained from context.

The Jewish Peril

Protocols of the Learned Elders of Zion

[(continuation of [materials] published in prior Volume [])]

One who studies the history of the Messianic sects would be surprised [to learn]* that some of these blaspheme the ancient covenant, disavow its legitimacy, and disclaim association with its *[the covenant's]* God and his prophets. Among these [blaspheming] sects is the sect called "Manichaeism" ([the religion of the] followers of "Mani," who appeared in Persia during the Third Century). Approximately three years ago, we elsewhere stated, with regard to this subject, that the Manicheans are near to the prophecy of Jesus, and approve of the prophecy of Moses, for reasons including the fact that they do not *[illegible word(s)]* "Jehovah" is, as the Torah describes him, a savage, evil Satan enamored of destruction, corruption, and the spilling of blood. If a reader of the Torah attempts to scrutinize the characteristics of "Jehovah, Lord of Soldiers," and his epic story with "his chosen people," he *[the reader]* must imagine him *[Jehovah]* to be a Satanic creature who is extravagant in [his] love for, and coddling of, his chosen people. He is the weakest of creatures, in wits, in managing them *[his chosen people]*, and in managing their adversaries. When he is content with them *[his chosen people]*, he is intensely content; and when he is displeased with them, he is intensely displeased. He is prodigious in malice and hatred for their enemies. Because of this, and because there is no limit to his power, and due to his lack of wit, he rains his blows down upon these enemies, excessively, insanely, mercilessly, and without limit. He wreaks the most loathsome revenge for

the most trivial of reasons, and despite his limitless power, is a cowardly creature who fears what a person of ordinary courage does not fear, for he shrinks from waging war with some of his and their *[his chosen people's]* enemies, because th[ose] enemies have powerful wheels, in the wars. He leaves the Jews to their own devices, and does not become engrossed with them in their war[s], out of fear of those vehicles, and of

other similar impossible burdens [the contemplation of which] precludes the mind from preserving its integrity. It [*the mind*] is nearly crushed under their [*thoughts of these burdens*] weight. (1) [*Footnote content not available*]

It is known, historically, that the Jews came unexpectedly upon religion, and that they are nomads who did not become civilized, and who [remain] nomads to this very day. Their conscience is the conscience of a nomad, undeveloped over epochs of time; and their lives, despite their connection with various civilizations, are the lives of the wandering nomadic tribe. They stand aloof from the world, despite their connection with it, and they view it [*the world*] only as they would view an enemy: They submit to it [*the rest of the world*] if it is stronger than they, and subjugate it if they are stronger than it. Their lives are based around launching invasions, plundering, and sponging off of whatever others possess, as is the custom of nomadic tribes. They are constantly mobilizing themselves under a weapon, in order to launch or repel an invasion, for their religious spirit, and tribal nomadic spirit, do not favor connection with others, and do not wish this. Alternatively, as their Torah states, "Their hand is against each one, and the hand of each one is against them."

The highest ideals for the Jews are their prophets and their heroes, as the Torah, Talmud, and other [such authorities] depict these, along with the epic tales of their rabbis and their leaders, in general. These holy examples whom the Jews consider to be saintly in their lives are [actually] the worst examples of people, for their [*the Jews'*] holy books recount the[ir] [*the prophets', heroes', and rabbis'*] debasements of their God. [The way in which] most of their [*the Jews'*] prophets and great personages comported themselves [placed them among] the ranks of the greatest criminals. This is one of the sources of evil in the souls of the Jews, who adhere, more intensely than any other people, to their barbaric religious laws, and who are more rigid [than any other people] with respect to their criminal tribal traditions. For this reason, their religion --in terms of moral humaneness - - is lower than all [other] religious canons, even that of

savage paganism, because all [forms] of paganism [at least] require their adherents to treat others with kind decency, whereas Judaism exempts its followers from every precept, [in dealings] with

non-Jews, allows them [*Jews*] [to engage] in all manner of depravity with them [*non-Jews*], and monopolizes, for them, the amenities of this world and the gratifications of the next life. This is a set of principles that is undoubtedly one of the scourges from which the world cannot be saved except by liquidating [*i.e., annihilating*] the Jews, banishing them to a remote location where they are prohibited from communicating with others, or re-educating their children in rules of conduct different from the rules of conduct of their nomadic religion and its savage teachings.

Anyone who reads their holy books will be alarmed and nauseated [to learn] that conspiracy is the basis for their history, even with respect to their stance towards their God "Jehovah;" [and to learn that] their [*Jews*'] lives are based on stealth, treachery, villainy, violence, and obstinacy, whether this be in their dealing[s] with one another, or in their dealing[s] with the nations who have had the misfortune of having close relations with them. For it would be unusual for you to see them [*Jews*] in their relationships with these [other nations] except [in the role] of servants cowering to them [*other nations*] as they[*Jews*] cheat them [*other nations*], when they [*other nations*] are stronger than they [*the Jews*]; or [in the role of] tyrannical giants, subjugating them [*other nations*], when they [*Jews*] are stronger than they [*other nations*]. They [*Jews*] recognize no covenant and grant no pact; rather, they take refuge in treachery and wrongdoing, whenever they sense themselves to have power.

Many of their prophets in their holy books have described them [*Jews*] as a hard-hearted and stiff-necked people, and as sons of serpents and slayers of prophets; and among the prominent phenomena in their history is the large number of their prophets. [*Several illegible words*] are without parallel, in this, set apart from the rest of the nations. As a great Egyptian author has opined, there is no explanation for this except for deep-seated evil in their [*Jews*'] upside-down intrinsic nature, and if not for this firmly fixed evil, they would not need the assemblages of this number of prophets and fixers. Due, however, to the deep-seated disfigurement of their natures, they have always been an evil people. Whenever they have been

in a desirable situation, with the help of a prophet or fixer, they have kept reverting to their evilness and their refractoriness; and so they have needed one [prophet or fixer] after the other, on a rapid basis, and the large number of their prophets is one of their shameful features, and not something for them to boast of, as they would wish to believe; and people understand this.

Wherever they have settled in a region, they have covertly attempted to infiltrate and assert dominion over it, economically and politically, by deception, longevity, bribery, and the like. They have formed a sturdy connection between their interests and those of [the region], even to the point that if it [*the region*] has sensed their [*the Jewish*] peril over[taking] them, and tried to get rid of their [*Jewish*] evils, it has been unable to do so. Even when it [*a region*] has been able [to do so], through expanding its structure [for handling] many upheavals and disturbances, they [*Jews*] are like a chronic parasitic disease, [lying] latent within an organ, and from which there is no escape except through cutting out some or all of the organ, or destroying its function.

Like parasitic diseases, they [*Jews*] live off of peoples and their civilizations, and their religion allows them to use every sordid means that other[s'] religious laws would not allow. Despite sensing danger due to their small numbers, they [*Jews*] cooperate with financial, cultural and political operations more so than do others, so that they [*others*] shall not sense the danger [to Jews], [due to their] ignominy and small [numbers], that they [*Jews themselves*] are sensing. To this end, they [*Jews*] succeed financially and politically where others might sometimes fail. They attribute any genius, or superiority over others, that they may have, to this, and to God's selection of them over all of creation, despite the fact that if others would permit themselves the evil means that they [*Jews*] are permitted, they [*others*] would get the better of them [*Jews*] in every field. In addition, in every region, they [*Jews*] are a secret society that works only in its [own] special interests, thwarting the interests of others even when there is no need to do so. (1) [*Footnote content unavailable*] They live in isolation and clandestinely, however they may appear. Their shamelessness has reached a level at which some of their writings, during the First World War, asked that England recognize two [types] of citizenship for them [*Jews*]: English civilian [status], and Jewish religious [status], despite the fact that they [*Jews*] were able to attain

the rank[s] of Prime Minister and Chief Justice, the two highest [positions] that an Englishman may attain.

ومن يدرس تاريخ الفرق المسيحية يدهشه أن بعضها يكفر بالعهد القديم وينكر شرعيته . ويتبرأ من الهه وأنبيائه . ومن هذه الفرق فرقة تسمى « المانوية » (أتباع « ماني » الذي ظهر في فارس خلال القرن الثالث) . وقد قلنا منذ ثلاثة أعوام تقريباً بصدد هذا الموضوع في مكان آخر : « كان المانويون يصدفون بنسبة عيسى ويرتضون نبوة موسى ، لأسباب منها : أن لاه « يهود » كما وصفته التوراة شيطان متوحش شرير شغوف بالخراب والفساد وارقة الدماء . وان قارئ التوراة اذا حاوّن أن يتبين صفات « يهود رب الجنود » وسيرته مع « شعبه المختار » وجب عليه أن يتصوره مخلوقاً شيطانياً مسرفاً في الحب والتدليل لشعبه المختار . وهو أعجز المخلوقات حيلة في سياستهم وسياسة خصومهم . فبينما هو راض عنهم كل الرضا اذ هو ساخط عليهم كل السخط . وهو مفروط في الحق والكرهه لأعدائهم . فهو - لذلك ولأنه لاحد لقدرته ، ولعدم حيلته - ينزل ضرباته على هؤلاء الأعداء في اسراف وجنون وقسوة لاحد لها . وينتقم لأتفه الأسباب أبشع انتقام . وهو - رغم قدرته التي لا حد لها - مخلوق « جبان » يهاب مالا يهابه انسان ذو شجاعة عادية فهو ينكص عن محاربة بعض أعدائه وأعدائهم . لأن للأعداء في الحروب عجلات قوية ، فهو يترك اليهود وشأنهم ولا يخوض معهم في حربهم لهم خوفاً من هذه العربات . الى

(٥) من ذلك من الفروض المستحيلة التي لا يستطيع العقل أن يحتفظ
بوجودها معها . ويكاد ينسحق تحت وطأتها « (١) » .

ومن المعروف تاريخيا أن اليهود فوجئوا بالدين وهم بدو لم
يسبقوا فهم بدو حتى الآن ؛ وضميرهم ضير بدوى لم يتطور
خلال العصور ؛ وحياتهم رغم اتصالهم بمختلف الحضارات حياة
المنزلة البدوية الجواله ؛ فهم يعتزلون العالم رغم اتصالهم به .
ولا ينظرون اليه الا نظرهم الى عدو : يخضعون له اذا كان أقوى
منهم . ويستعبدونه اذا كانوا أقوى منه ، وحياتهم تعتمد على
عن الغارات والسلب والتطفل على ما في أيدي غيرهم كعبادة
التمثال البدوية . وهم دائما معبون أنفسهم « تحت السلاح »
للمن غارة أو دفع غارة . فروحهم المليئة روح بدوية قبلية
لا تحسن الاتصال بغيرها ولا تريده . أو هم كما تقول توراتهم
« يدهم على كل أحد ، ويد كل أحد عليهم » .

وللثل العليا لليهود هم أنبياءهم وأبطالهم كما تصورهم
التوراة والتلمود وغيرها . وسير ربانيهم وزعمائهم عامة .
هؤلاء المثل المقدسون الذين يعتقد اليهود في حياتهم بقداستهم
من أسوأ مثل للانسان . فكتبهم المقدسة تحكى من فضائح اليهم
واسائهم وعظائمهم ما يسلك أكثرهم في عداد أكابر المجرمين .
وهذا مصدر من مصادر الشر في نفوس اليهود الذين هم أشد
الذين نسكا بشرائعهم الهمجية . وجسودا على مآثوراتهم
السلية الاجرامية . ولذلك كانت ديانتهم - من الوجهة الانسانية
الاجرامية - دون كل الشرائع حتى الوثنية الوحشية ، ذلك
لأن كل وثنية تلزم اتباعها في معاملة غيرهم ببعض الآداب
الانسانية . على حين أن اليهودية تعفى أتباعها من كل قانون مع

(٩)

غير اليهود . وتبيح لهم كل رذيلة معه ، وتحترك لهم نعم الدنيا ومتع الجنة . وهذا أصل لا ريب فيه من أصول البلاء الذي لا خلاص للعالم منه الا بتصفية اليهود أو تسييم في مكان منقطع يمنعون فيه الاتصال بغيرهم ، أو إعادة تعليم أطفالهم أدبا غير أدب ديانتهم البدوية وتعاليمها الوحشية .

ومن يقرأ كتبهم المقدسة يروعه ويفثيه أن « المؤامرة » قوام تاريخهم حتى في موقفهم تجاه الهيم « يهود » . والاعتماد في حياتهم على الخفاء والغدر والخسة والعنف والعناد سواء أكان ذلك في معاملتهم بعضهم بعضا . أم في معاملتهم الأمم التي نكبت بوصالهم . فيندر أن تراهيم في صلاتهم بها الا عبيدا أدلاء لهم يسكرون بها اذا كانت أقوى منهم . أو جبايرة غاشمين يستعبدونها اذا كانوا أقوى منها . وهم لا يعترفون بعهد ولا يدينون بذمة . بل يلجئون الى الغدر والبغى كلما أحسوا من أنفسهم قوة .

وقد وصفهم كثير من أنبيائهم في كتبهم المقدسة بأنهم شعب غليظ القلب صلب الرقبة . وبأنهم أبناء الأفاعى وقتلة الأنبياء . ومن الظواهر البارزة في تاريخهم كثرة أنبيائهم . وهم ينفردون به دون سائر الأمم ، ولا تعليل له - كما يرى أديب مصري كبير - الا السوء العريق في دخالهم المنكوسة ، ولولا هذا السوء اللازب لما احتاجوا الى معشار هذا العدد من الأنبياء والمصلحين ، ولكنهم لمسخ طبائعهم العريق كانوا على الدوام أهل سوء . فكلما حسنت حالهم على يد نبي أو مصلح ثم مات . ارتدوا الى سوءهم وعصيانهم . فاحتاجوا سريعا الى غيره . وهكذا دواليك . فكثرة أنبيائهم مخزاة من مخازيهم وليست مفخرة من مفارخهم كما يريدون ان يفهموا ويفهموا الناس .

٥

وإنما حلوا في قطر حاولوا الاندساس فيه . والتسلط عليه اقتصاديا وسياسيا في خفاء : بالخدعة والنساء والرشوة وغير ذلك . وربطوا ربطا محكما بين مصالحهم ومصالحه ، حتى اذا أحس خطرهم عليه وحاول التخلص من شرورهم لم يستطع . واذا هو استطاع فبتعريض بنيانه لكثير من الهزاهز والاضطرابات . فهم كالمريض الطفيلي المزمّن الدفين في العضو . لا نجاة منه الا بتر العضو نفسه أو بفضه أو اتلاف وظيفته .

وهم يعيشون كالأمرض الطفيلية على الشعوب وحضاراتها . وان ديانتهم تبيح لهم استعمال كل الوسائل الخسيسة كما لا تبيح الشرائع الأخرى . - مع الاحساس بالخطر لقلّة عددهم - وهم يتعاونون في الأعمال المالية والثقافية والسياسية أشد ما يتعاون غيرهم . لأنه لا يحس من خطر الذلة والقلّة ما يحسون ، ومن أجل ذلك ينجحون ماليا وسياسيا حيث يخفق غيرهم أحيانا . وهذا ما يعدونه آية عبقريتهم وامتيازهم على غيرهم واختيار الله إياهم دون المالين . مع أن غيرهم لو استباح لنفسه من الوسائل الشريرة بعض ما يستبيحون لقلبهم في كل مجال . كما أنهم في كل قطر « جاعة سرية » لا تعمل الا لمصلحتها الخاصة . كما تهدر مصالح غيرها ولو بلا ضرورة ^(١) . ويعيشون سعدون في الخفاء مها كانوا ظاهرين . وقد بلغ من وقاحتهم أن بعض كتابهم خلال الحرب العالمية الأولى طالبوا أن تعترف لهم إنجلترا بجنسيتين : مدنية انجليزية . ودينية يهودية ، مع أنهم هناك يستطيعون أن يصلوا الى مرتبة رئاسة الوزراء ورئاسة القضاء ، وهذا أسوأ ما يمكن أن يصل اليه انجليزي .
